I love you the way you are
there's nothing you need to do
When I feel the love inside myself
it's easy to love you
Behind your fears, your rage and tears
I see your shining star
And I love you just the way you are

I love the world the way it is,
'cause I can clearly see
That all the things I judge are done
by people just like me
So 'til the birth of peace on earth
that only love can bring
I'll help it grow by loving everything

I love myself the way I am
and still I want to grow.
But change outside can only come
when deep inside I know
I'm beautiful and capable,

of being the best me I can,
And I love myself just the way I am
I love myself just the way I am
